Understanding the Everything DiSC Map

Alex, this report is designed to help you better understand Gracie Lanza and to build a more effective working relationship with her. All of the information is derived from the responses that you and Gracie gave when answering your Everything DiSC® profiles. Once again, you'll be using the Everything DiSC Map. Here's a quick refresher on the four DiSC® styles.

HOW YOU AND GRACIE FIT ON THE EVERYTHING DiSC® MAP

The eight words shown around the Everything DiSC® Map shown below are priorities that people use in their work that affect their relationships with others.

iD Style

○ = Gracie:

Gracie emphasizes:

Understand Each Other's Priorities

Typically, people emphasize the three priorities that are closest to their dot on the DiSC circle. However, sometimes a person can expand beyond the typical priorities to include additional priorities. You and Gracie both have priorities that are typical of your styles.

As you can see by the map above, your positions on the map are very far apart. This doesn't necessarily mean that the two of you don't have anything in common, or even that you will have any problems working together. The next pages will give you an opportunity to explore your similarities and differences, and to see how these might translate to strengths or challenges.
